The image shows a technical drawing of a horizontal pipe assembly. The pipe is represented by two parallel horizontal lines. From left to right, the components are: a vertical pipe with a cross symbol (X) inside, indicating a closed valve; a vertical pipe with a diamond symbol (◇) inside, indicating an open valve; a 90-degree elbow fitting; a vertical pipe with a diamond symbol (◇) inside, indicating an open valve; a vertical pipe with a Z symbol (Z) inside, indicating a closed valve; a vertical pipe with a diamond symbol (◇) inside, indicating an open valve; and a vertical pipe with a Z symbol (Z) inside, indicating a closed valve. The drawing is enclosed in a rectangular frame with a small gap on the right side.
