

The image displays a complex geometric pattern composed of interlocking shapes. Each shape is labeled with a letter or a combination of letters, indicating a specific type or orientation. The labels include 'L', 'M', 'XL', 'LX', 'LXL', and 'LXLX'. The shapes are arranged in a repeating, tessellated manner, creating a dense, symmetrical design. The pattern is composed of various polygons, including hexagons, octagons, and irregular shapes, which are interlocked to form a continuous surface. The labels are placed within the shapes, often in a way that suggests a specific orientation or relationship between the shapes. The overall effect is a highly structured and visually intricate geometric composition.
