

This image displays a comprehensive set of 2D garment patterns for a suit, organized into three main sections: a jacket, trousers, and a vest. Each pattern piece is clearly labeled with its size, either 'L' (Large), 'M' (Medium), or 'XL' (Extra Large). The patterns include various components such as the front and back bodices, sleeves, collar, lapels, pockets, and waistcoats. The layout is clean and professional, typical of a technical pattern-making document.
