

This technical drawing illustrates a garment pattern, possibly a vest or corset, with multiple size options. The pattern is divided into several pieces, each labeled with a size indicator: 'L' (Large), 'M' (Medium), and 'XL' (Extra Large). The pieces include a central bodice piece, side panels, and a long skirt piece. The drawing shows the intricate details of the pattern, including notches, darts, and the overall shape of the garment. The pattern is presented in a way that allows for easy identification of the different components and their corresponding sizes.
