

The image shows a technical drawing of a garment pattern, likely a vest or jacket, laid out on a grid. The pattern consists of several pieces, including a collar, a notched lapel, and a waistband. The pieces are labeled with sizes: 'M' (Medium) and 'L' (Large) for the front view, and 'XL' (Extra Large) and 'L' for the back view. The pattern is oriented vertically, with the waistband at the top and the collar at the bottom. The grid lines are horizontal and vertical, providing a reference for the dimensions and placement of the pattern pieces.
