

A complex geometric pattern of interlocking shapes, each labeled with a size: XL, L, or M. The shapes are arranged in a repeating, tessellated manner, creating a dense, abstract design. The shapes are primarily hexagonal and pentagonal, with some having notched or rounded edges. The labels are in a bold, sans-serif font, oriented horizontally or vertically depending on the shape's orientation. The overall effect is a dense, abstract composition of geometric forms and text.
