Hi Thuy,

For MOQ specifications, this style will have roughly 100 pcs per colorway across 3 colors, thanks.

Hi Thuy,

Can you send us some Cotton quality options that are around 140-170GSM, with a brushed handfeel?

We are urgently looking for a quality to utilize for our SS25 Cotton Windbreaker style.

We don't have a reference sample that we can send you, but if you send us some options we will narrow it down and provide more feedback.

Thank you!
