FW25CT010 Mesh Practice Jersey

FITTING DATE: 2/13/24**MODEL/ATTENDEES:** Jessica, Cal, Wes, Megan, Jeni, Anastasiya**STATUS:** 1st Proto Approved to 1st Fit (Please send 1st fit in revised fabric sample yardage once picked)**Fit Comments:**

1. Reduce front neck drop to 4".
2. Reduce neck width to 7".
3. Please ensure enough front neck width/placket seam allowance isn't taking away from the body. When garment lays flat the placket doesn't overlap on top of one another 100% causing pulling when the buttons are buttoned. See image.
4. Please note the neck trim is standing too far away from neck, add a seam 1 1/4" backwards from WL HPS to create a better shape to contour the neck. Ensure to revised for reduced neck width and an additional reduction from top edge length on top of that.
5. Chest came in +1/2", go back to spec.
6. Follow revised sleeve cap height of 5".

fit comment:

1. giảm hạ cổ trước 4"
2. giảm rộng cổ 7"
3. vui lòng đảm bảo đủ thông số rộng cổ trước/ đường may nẹp không được làm mất đi phần thân. khi áo nằm phẳng nẹp không chồng lên nhau trên đỉnh 100% gây ra đùn khi cài nút, xem hình
4. lưu ý bo cổ quá xa cổ, thêm 1 đường may 1 1/4" lùi về phía sau so với đỉnh vai trái người mặc để tạo hình dáng tốt hơn để ôm sát cổ. Đảm bảo sđiều chỉnh để giảm rộng cổ và giảm thêm chiều dài cạnh trên
5. rộng ngực dư 1/2", điều chỉnh thông số trong dung sai
6. điều chỉnh cao đầu tay 5"
