

Technical drawing showing two views of a component. The left view is a side elevation showing a rectangular block with a horizontal line across its middle. The right view is a front elevation showing a rectangular block with a horizontal line across its middle. Both views have a vertical dimension line on the right side indicating a height of 15mm. A horizontal dimension line is present at the top of the left view, and another horizontal dimension line is present at the bottom of the right view.

15mm

← 15 mm

320mm wide

Warning: To avoid danger of suffocation, keep this bag away from babies and children. Do not use this bag in cots, beds, carriages or play pens. This bag is not a toy.

15mm

A close-up photograph of a white plastic bag. A black arrow points to a weld line on the bag. The word "plastic" is partially visible in the bottom left corner.
