Hi Tu,

Could you clarify what the mockup would be - would this be something like a sleeve panel?
Understood the purpose of dyeing a mockup is to show full garment dye effect, however we would like to avoid putting full garments into work to only review color.

Thank you!

Best,
Giulia

Hi Giulia,

Jumping in here to clarify that I am pretty sure these colors would be using for blank, therefore, we'll send you mockup (for garment dye style) instead of labdip (this is for solid color only)

Thank you and Best Regards,
