Hi Hieu!

Regarding the note to remove acid wash on the cream TPs - could you please help to share the note we need to update? I don't see the note to apply acid wash on our side

For the brown colorway on Enchante Small Logo TShirt EN1025MT19 - this should also have the acid wash. Apologies for the oversight here, revised TP attached!

Attaching the TP for the EN1025MT20 LONG SLEEVE

Thank you!

Hi Giulia,

Allow me to jump in here. I'd like to clarify the following information:

Cream colorway: Following the previous season, for light colors like cream, we won't proceed with acid wash as it does not create any visible effect on the fabric. Please help adjust the tech pack for the listed styles below:

- EN1025MH10 TRUCK HOODIE

Hi Hieu,

Could you help to confirm lab dips are on track to ship early next week?

Apologies for the hold up on TPs, we are still waiting on confirmed designs for this development.

Our current plan for the assortment at the moment would be about 3-4 tees, 1-2 hoodie / crewnecks and 1 quarter zip with either screen print or embroidery for decoration. Target XF for this collection is 8/15-9/15, could you confirm deadline for TPs without impacting delivery?

Thank you so much! :)

Best,
Giulia
