Hi Hieu,

Yes! We plan to share the bulk PO along with the tech packs by early next week. What is the general calendar for protos and bulk under that assumption?

Hi Caleb,

We confirm that it's workable, and it would be better for us to stick to the 13-Mar date. Could you please confirm if you can commit to issuing the PO before Christmas on 20-Dec?

Hi Hieu,

As mentioned before we were waiting for a general agreement on timeline to start tech packs.

If we provide TPs by next Monday alongside the full bulk PO would 2-Mar still be possible? Or even 13-Mar?

Let us know, we'll get started on tech packs in the meantime.

Hi Caleb,

The techpack due date has already passed, so could you please share the updated date we can expect to receive it? Is it possible for us to have it today?

If so, we will be able to meet the exf date of 2-Mar, and we will need the PO before your Christmas holiday.

Please let me know your thoughts.

Thank you and Best Regards,

Hi Hieu,

If we provide tech packs by 11/17, is March 2nd X-factory possible for bulk?

Hi Caleb,

Thanks for sending us these styles. I've looped in our [@THELOYALIST-SAMPLING](mailto:THELOYALIST-SAMPLING) team for further support.

The overall timeline will also depend on the development schedule. Could you please let me know when we can expect to receive the tech pack so we can build our timeline accordingly?
