FITTED ON LAURA

FIT/MEASUREMENTS:

1. Please refer to size chart review and the following:
 - front neck drop, neck rib depth, point to point, across front & back and hem width are to be brought back to spec.
 - the garment looks tight at the shoulder when worn and drag was visible from the shoulders. We have cut in at the front shoulder and it looks as though we need to add in slightly. See photos on page 3.
2. Is the rib quality used what you intend to use for bulk production. The recovery is very poor & and feels this. Is there a possibility to improve this?
3. There is also excess rib in the neck band which also doesn't help. We have pinned out approx 1cm from the centre front neck band.

BRANDING:

1. Back neck label and size tab are available.
2. Hangtag, string & barcode are all missing.
3. Chest print is missing. Positions have been added to the specs for both styles - LTS0768 & LTS0769. Comments will be advised on the print strike offs by the design team asap.
4. Back neck tape is available. This should be the Barbour logo back neck tape. Please refer to BOM for info. Please ensure the tape conceals the seam allowance.
5. Care label is missing.
6. Please ensure all barcodes & care labels are submitted for approval.

GENERAL COMMENTS:

1. Please submit bulk fabrics & test reports for approval.
2. Please submit trim card for all colours bought for approval.

STATUS:

PLEASE PROCEED WITH SIZE SET & SUBMIT SIZES M & L ONCE BUYS HAVE BEEN PLACED. IDEALLY CAN THE SIZE SETS BE MADE USING BULK FABRIC WITH ALL CORRECT TRIMS SO WE CAN APPROVE TO PROCEED DIRECTLY WITH BULK (UNLESS SOMETHING MAJOR WAS WRONG). LET ME KNOW HOW YOU WILL PROCEED. IT WOULD BE GOOD IF MAYBES STYLE LTS0768 WAS SUBMITTED IN SIZE M & LTS0769 IN SIZE L.

WE ALSO REQUIRE 1 SIZE M IN EACH COLOUR BOTH STYLES LTS0768 & LTS0769 TO BE SUBMITTED TO BE USED AS PHOTOGRAPHY SAMPLES BY APAC.
