Subject: T-Shirt 3-Pack Re-Order

Hi guys,

We are hoping to do a re-run of the t-shirt 3-pack but with one small change--making the ribbed collar slightly taller. So basically the neck/collar opening is the same size, but the height of the ribbing will be a little taller.

Is it possible to see two samples, both in size large, with the collar 1/8" bigger and 1/4" bigger?

Let me know!

Thank you,
Ruby Vickers
