Noted and thank you for the information.

Could you please send over the **Pantone code** for the color so we can start lab dipping?

Additionally, should we expect more graphic styles for Q4, and when can we expect to receive them?

Thank you and Best Regards,

Hey Hieu,

The expected EX-Factory needed for the Q4 tees is August 7th for all. I've attached the style/colour and quantities.
In terms of fabric, please proceed with our standard single jersey 190 GSM Quality. Yes, please utilize liability where possible. Kindly have costing prepared for us by Monday so we can issue POs by Thursday the 12th.

Let me know if you need anything further from our side.

Hey Luyade,

Thanks for sending us the artwork. Ms. [@Nguyen Tran Nguyen Kim](#) from our [@OVO-SAMPLING](#) team will take care of these styles.

Could you please share the **expected exf date** as well as the **projection** so we can plan accordingly?

Additionally, could you please confirm whether these styles should be using single jersey 190gsm? However, we'll try to utilize your liability as much as possible and will keep you posted on this.
