Hi Kalisha,

Thank you. I'd like to reinform that we can receive the PO for this drop by **28-Feb**, so there is still time. Please allow us to share the costing around 10-Feb, once we have received all artwork/techpack by **26-Jan** and have time to work through them. I hope this works for you.

The earlier we receive the artwork/techpack, the better it will be for us to prepare strike off/samples for your review. This will also help us secure approvals in time to maintain the bulk production lead time. After receiving all artwork/techpack, we will proceed accordingly and may share a more detailed T&A if needed.

Please let me know if you have any further concerns,

Hi Hieu,

I am looping in additional OVO team members so they are in the loop.

I know you can execute the below styles so I have no issue sending the OC for the fabric and then receiving strike-offs when you return from the holiday. I would more so like to get the costing.

I also received notice that the buying team cannot process any additional PO's this week. Could you received the PO or OC next week. Perhaps Wednesday?

Would it be acceptable for you to receive the 1st sample after the PO is placed on 28-Feb? We will need to proceed with fabric booking in advance to ensure the exf date can still be maintained.

Hi Kalisha,

Thanks for notifying us about this project. Could you please also share the projected units and target price so I can quickly check with our planning team and get back to you later this week?

I do have one concern regarding the Washed T-shirt. Since the garment will be printed after the dye process, we may not be able to execute such a large screen print on the T-shirt. However, I'll follow up with more details at a later stage after we align on the timeline.

Thank you and Best Regards,

**HIEU NGUYEN (Ms.)****CLIENT ACCOUNT MANAGER**

Hi Tyler and Hieu

We sent you all the PO's for styles we need for October in store based on the Production Calendar. I am aware we are over a month late from that deadline but I wanted to check and see what is possible before I reach out to another supplier.

We put together a "Halloween" Collection and I would like to book this with UA but I am not sure if we are too far off the calendar to proceed. We need an ex/factory date of July 15, 2026. We will reference a fabric quality from our narrowed down list.

Let me know what you think and if you think you can quickly turnaround the two deadlines for me so I can discuss it with the team.

- 1) Artwork Deadline
- 2) PO Deadline

\* Please note PP samples will be required for these styles.

\*\* The note (Washed) means Garment Dye like our Muskoka program.

\*\*\* Pins, posters, gloves.... This is not for you to develop. I am more concerned with the Tees and Hoodies.
