Hi Chris,

Thank you for sending us the artwork. Please note that we won't be able to use discharge for the garment dye styles. Instead, we will use a rubber and waterbased mix print to achieve a soft handfeel.

**@Grace De Guzman** Please also note that we will not be able to achieve the PP spray effect on WHISPER WHITE - 11-0701 TCX, as this is a light color.

Best Regards,

Hi Grace,

Can you please share us pantone color and the AW?

This effect is suitable for dark colors because we spray a white chemical to create the sun faded effect on different areas of the body. Therefore, the effects won't be clearly visible on the Whisper White.

Thank You and Best Regards
