

A complex geometric pattern composed of interlocking shapes labeled L, M, and S. The shapes are arranged in a repeating, non-periodic fashion. The labels are placed within the shapes: 'L' is in a large, irregular shape; 'M' is in a smaller, irregular shape; and 'S' is in a small, irregular shape. The shapes are outlined in black and filled with a light gray color. The overall pattern is dense and intricate, with many small gaps and overlaps between the shapes.
